

Certificate

The bearer of this certificate
is entitled to \$350.00
off of the price of a
Residential Irrigation Meter.

*This offer is good for residential service customers only. This offer only applies to standard residential 5/8X3/4 water meters where Daphne Utilities water service currently exists. Typical service installation time is 7-10 business days. Any connection made to the new service is the responsibility of the owner. Service may be setup at our main office at 900 Daphne Avenue. Daphne Utilities reserves the right to evaluate and determine service availability.
