Notice of Requirement For Pre-Engineered Metal Building Modification

RFP #: 2015-05

Date: June 25, 2015

Daphne Utilities is accepting sealed bids for the modification of a pre-engineered metal building. The period for the acceptance of bids will be from 10 a.m., June 25, 2015, thru 10 a.m., July 16, 2015.

Sealed bids should be sent to:

Daphne Utilities
Central Services Building
8301 Well Road
Daphne, AL 36526
(251) 210-1655

Attn: Earl D. Bolden, Buyer

Bid responses have to be properly labeled on the envelope or package with RFP #2015-05. Bids will be recorded by time and date upon receipt. Daphne Utilities is not responsible for late bid responses that may occur due to courier services or the United States Postal Service. Bids arriving after the aforementioned acceptance period will not be accepted. Due to the sealed bid process, an electronic or fax copy will not be accepted at any time.

A pre-bid conference will be held at 9:00 a.m., Thursday, July 2, 2015, at our Central Services Building Conference Room (Same address as shown above). Immediately thereafter, there will be a site visit of the existing metal building. This will allow perspective bidders to familiarize themselves with the scope of work required by the RFP.

Bid openings will be at 2 p.m. on July 16, 2015, at the same location and Conference Room. The bid award will be immediately following the bid openings.

Contacts for this project are as follows:

Earl D. Bolden, Buyer, (251) 210-1655, for questions regarding the sealed bid process.

J. Buford King, Facilities Support / Maintenance Manager, (251) 583-5645, for technical questions.
