The undersigned, hereinafter called the Consumer, request the City of Daphne, hereinafter called the Utility to furnish, subject to its rates, charges, service regulations, etc., as such charges now exist and are on file at the offices of the Utility, or as they may hereafter be altered or amended, for the services and facilities named hereon as may be required or from time to time furnished and agrees to pay promptly all charges in accordance with said rates and services regulations, and agrees that the deposits paid herewith may be used for the purpose of paying for any service or facilities without notice, and waives as to any amount due, all exemptions under the Constitution and Laws of Alabama, or any other state. Customer/Owner understands and agrees that Daphne Utilities may require a credit check prior to establishing new service and based on the credit report could require additional deposits prior to establishing service. Customer/Owner further agrees and understands that if the account becomes delinquent, a derogatory report will be furnished to the credit bureau, which could negatively affect customer/owners ability to secure future credit. The Consumer understands that the service is interruptible. The Consumer has and does give and grant to the Utility, its successors or assigns, a right of use and easement under, along and over the premises, and agrees that title to all property installed by the Utility shall remain in the Utility and may be removed at any time. The Consumer further agrees to pay the minimum charges indicated hereon, even though larger than those in regularly published rates, in lieu of a cash contribution to excess cost, if any. The Consumer further agrees that the Utility shall have the right, but shall not be obligated, to inspect any installation before gas, sewer and/or water service is introduced, or at any later time, and reserves the right to reject any wiring, piping or appliances not in accordance with Utility standards, but such inspection or failure to inspect or reject shall not be regarded as insurance against defects in installation, wiring, piping or appliances and shall not render the Utility responsible for any loss or damage, resulting from defects in the installation, wiring, piping or appliances or from violation of any loss or damage, resulting from defects in the installation or from violation of any City Ordinance, Rules or Regulations, now in force or as may hereafter be adopted or from accidents which may occur upon Consumer's premises. Nor shall the Utility be held liable for damage resulting from Acts of God, or matters not reasonably within the control of the Utility.
